

## *Our Musicians: Shade Mountain Strings*

In September of 2008 a small group of friends and fellow music lovers came together to begin the Shade Mountain Strings. The mountain dulcimer is the primary instrument along with guitar and autoharp. None of them are professional musicians; they just enjoy playing a variety of songs and sharing information about

their instruments. They have played in different churches, coffee houses, reunions, and nursing homes, at the Snyder County Historical Society and at a Civil War re-enactment. They always welcome new members.

# Music for Meditation and Candlelight Night Prayers

12 August 2018

“Thin places,” in Celtic spirituality, are where ordinary reality and God’s holiness meet... where the veil between heaven and earth seems transparent. A thin place is anywhere our hearts are opened... The Celts perceived the entire world as saturated with the glory of God. Though every place is potentially a thin place, we have to stop, look and listen... Expect to hear God’s voice. Expect that God will touch you. It happens. Be attentive. Somehow, somewhere, during your worship experience, expect God.
