

# Music for Meditation and Candlelight Night Prayers

9 July 2017

“Thin places,” in Celtic spirituality, are where ordinary reality and God’s holiness meet... where the veil between heaven and earth seems transparent. A thin place is anywhere our hearts are opened... The Celts perceived the entire world as saturated with the glory of God. Though every place is potentially a thin place, we have to stop, look and listen... Expect to hear God’s voice. Expect that God will touch you. It happens. Be attentive. Somehow, somewhere, during your worship experience, expect God.
