A History of Faith and Service

All Saints Church was built in 1899, through the financial support of Mary Kittera Snyder, granddaughter of Simon Snyder, Pennsylvania's third governor. Miss Snyder was a woman of strong faith. It was her vision to build an Episcopal Church for her community, and to the glory of God, in which the sacraments would be celebrated according to the Book of Common Prayer.

Unfortunately, the first service performed in the church was Miss Snyder's funeral, on July 30, 1900. However, Miss Snyder's faith and commitment to God lives on through the members of All Saints' congregation today.

Rev. 09232015

We live out our faith in practical ways:

- ✦ Office space for the area Meals on Wheels
- ✦ A polling place for elections
- ✦ Martha's Table, a free evening meal on the first and third Wednesday of each month
- ✦ Meeting space for local community groups
- ✦ Wednesday morning Bible Study group open to all
- ✦ Host for "Meals for Seals", feeding Selinsgrove Area Students

Our mission is to enrich and transform through worship, education, service, generosity and caring conversation.

Our core values

are love, joy, peace, patience, faithfulness, kindness, gentleness, generosity, and self-control. (Galatians 5:22)

Our vision

is to be team lead, to be a resource for Selinsgrove, Snyder County and the Diocese of Central Pennsylvania, and to be financially sound and self-supporting.

Our leadership

is to be focused on mission, to be accessible, to be attentive, to be transparent and to be forward looking.
